VISIT TO POLICE STATION

On 29 Jan 2016, Krishna Law students visited Masuri Police Station as a part of their curriculum for understanding the functioning of a police station. Around 80 students of LL.B were present during the visit. Dr Pradeep Kashyap, HOD of the Institute, along with two Professors Mr. M. Sakeel & Ms Sushma Chahar were present with the students. During the visit, students got a firsthand experience of a police station. The Officers from different departments of the police station interacted with students and explained them the functioning of various departments. Crime table, warrant summons, inward out ward department, salary department, Arm & ammunition department and police cell were some of the departments that students visited.

Following the brief visit to the police station, students were then taken to hall where police officers gave lecture on the functioning & procedure of their working. The officers explained Cr. P.C. rule. SHO Sh. Raj Kumar Yadav, Assistant Senior Inspector Sh. Jagat Ks Yadav and Assistant Police Inspector Sh. C.P. Singh explained students various rules of the I.P.C.

SHO Sh. Raj kumar Yadav said, "Every term related to a police station and its functioning is explained in Cr.P.C. If a lawyer is good, no accused will be left unpunished. As an evidence and investigation is important to solve a case & punish the accused, the role of a lawyer is also equally important."

API Yadav explained them about investigation method and about the rights of an accused. The lecture followed an interactive session between students and speakers where students asked queries pertaining to law and order. Sr. PI Sri, C.P. Singh shared his experience in investigating and detecting a case and importance of a lawyer in resolving it.

It was really a great experience of my life. I thanks to my college and my HOD, my & Professors to give us this chance.
